

COURSE DESCRIPTION

Do you like music? Do you like singing?

Would you like to improve your English in a different way?

Then ... let's feel the power of music together!!!

Join our **"FEEL the BEAT"** course because music is a great language package that includes culture, authentic language, vocabulary, slang, grammar, listening and speaking skills in just a few rhymes and lines. The course provides interesting and relaxed lessons on a boring day after your job or studies. And above all it is so much fun!!!

COURSE AIM

- Improving listening & speaking skills
- Gap fillings & ordering
